PHILIPPINE RESIDENT AND BUSINESSMAN DR. ANDREAS KLIPPE (R) RECEIVES EXCELLENCE AWARD AS BEST INTERNATIONAL BUSINESS EXPERT IN GERMANY FROM CHAIRMAN AND BEST-SELLING AUTHOR HERMANN SCHERER (L). Dr. Andreas Klippe, a Philippine resident, business expert and speaker based in Clark City, Pampanga receives international business expert award held in Masterhausen near Frankfurt, Germany last May 2022. He won the Excellence award as Best International Business Expert at the International Speaker Slam 2022 because the jury said "he really talks like a champion." Dr. Klippe is based in Clark Freeport Zone in Pampanga where he is the President and CEO of Flood Control Asia RS Corporation. This unique Asian Center for flood protection has attracted several Asian customers

even in the Middle East due to the modern German technology being used. Most notable was in Dinalupihan, Bataan where the Jose G. Payumo Memorial Hospital was chosen by the German

government for financial aid and Dr. Klippe and Flood Control Asia RS Corporation designed and installed German flood barriers to protect the hospital from severe flooding in the future.
