

Floods will enter any available opening. That's where the FM Global-approved RS Windows Cover Flood Barriers render complete protection from flood; by also protecting your windows ensuring that all flood ingress points are sealed. Inside the RS Window Cover Flood Barrier is a honeycomb structure that allows it to resist higher amounts of water pressure while keeping it lightweight and durable.

## ADVANTAGES

*Quick return on investment*

*Components guaranteed to last up to 50 years*

*Materials withstand extreme weather conditions*

*Theft and Vandal-proof*

*Surpasses International Standards*

*Adjust to Turns, curves, and corners*
